Rodolfo Alcázar Portillo

http://otbits.blogspot.com/ rodolfoap@gmail.com 27, Avenue de l'Occitanie, Appt. 409 31520 Ramonville-St. Agne, Toulouse, France Birth: 30/04/1969 Phones (0033)623116121-(0034)695367670

OBJECTIVE
Fulfilling a high level role as sysadmin/integrator of IT facilities/services/networking/data
KNOWLEDGE
20 years professional experience on IT facilities and services admin/integration with unix/linux.
 Networking, IT facilities management, databases, IT systems □ Servers management. Linux -RedHat, Fedora, Debian, SuSE-, Unix -Solaris mainly-, OSX, etc. □ Intranet/Internet services deployment. www, @, autentication, security, monitoring, SSO, virtualization, thin clients, traffic accounting, postfix, Zimbra, DNS, DHCP, FS, NAS, etc. □ Networking (CCNA certified). Routers/switches/firewalls -Cisco, Linux, Dlink, Juniper-, VPN, Proxyes, VoIP/asterisk/SIP/IAX; QoS, cabling, certification, etc. □ Database management. PostgreSQL, MySQL, SQLServer, SQLite, replication, migration/ integration, etc. □ Advanced scripting, services. Bash, Perl, PHP, Regex, Sed, C, Java, SQL, LaTeX, Asterisk, etc. □ Voice communications: VoIP. Asterisk/Trixbox/Freepbx -AGI, SIP, IAX, SMS, etc.; analogic PBX -Panasonic, etc
 Integration, development and programming □ Software/hardware engineering, interface protocols, layering, etc.; Wide IT knowledge & skills. □ Applications integration (own design, plugins, codelets, etc.), using any programming language. □ Advanced scripting, services. Bash, Perl, PHP, Regex, Sed, C, Java, SQL, LaTeX, Asterisk, etc. □ Preferred languages: Perl, PHP, Bash, Java, Vala, C, C++, SQL, .Net (VB/C#), Javascript/Ajax. □ Web Development: frameworks -symfony-, LAMP, SEO, GIS, CMS (participated or directed the development of many)
STUDIES
 ☐ Cisco CCNA certification, Technologies Transfer Center, 2002 ☐ Networks/Comunications Specialization postgrade, Aquino University, 2002 ☐ Internet/ Intranet Postgrade, Franz Tamayo Private University, 2001 ☐ Systems Engineering, Catholic University, Cordoba, Argentina, 1993 RELATED EXPERIENCE
□ 2012 to present – ATV Satellite Ground Controller, CNES, France
 □ Responsible of systems modeling, implementation, specifications and documentation □ Member of the Ground Team for ATV satellite ground control operations □ Ground Team interface to the Systems Team for technical actions over 450 servers (new position since 2013/06)
2010-2012 - IT Consultant / Freelance, Spain – Portugal Development/consulting/integration tasks on Linux/Ulaiv
 □ Development/consulting/integration tasks on Linux/Unix □ 2011-2012 - Technical support coordinator, i+D3 Tech, Spain
☐ Linux + microcontrollers & integrated electronics support and assistance for England and Spain
☐ Linux servers/services management and support
 □ Specialized development for microcontrollers (c, perl, bash, php, Sql Server) □ VoIP softphones development

	Specialized technical consultancy to governmental clients (local and foreign) Implementation of Intranet/Internet and administrative services for internal clients
	Implementation of Intranet/Internet and administrative services for internal clients
	implementation of intranerinternet and daministrative services for internal chemis
	IT facilities responsible for data/voice networks design and implementation (6 cities)
	IT services and systems management
□ 200	00-2003 Networks and Information Manager; Information Quality Control Technician,
	stry of Education Bolivia
	Responsible for IT facilities and services design, implementation and management; supervision of network cabling of 2 Ministry of Education buildings and governmental buildings throughout the country; IT services and systems management
	Responsible for organization of operatives for collecting redundant information in more than 2000 schools countrywide; pollsters and supervisors team coordination (70 persons simultaneously)
□ 199	97-1999 Systems Coordinator, World Vision Bolivia
	IT national team Coordinator (14 technicians)
	Partners IT/networking consultancy in Colombia, El Salvador, Honduras and Costa Rica
	IT facilities and services implementation and management
□ 199	97 Computer center responsible, Nexxo superagency of Bolivian Stock Market Agency sa Boliviana de Valores)
` □	Participation in implementation of stock values negotiation systems; participation in implementation of WAN network with 15 agencies of local stock market
	Network protocols analysis for price definition for the National telecom operator (ENTEL)
	96 Data Analyst, National Secretary of Education, Bolivia (supporting Argentina)
	95 - 1996 IT Facilities Administrator, Banking and Financial Organizations
	erintendency, Bolivia
□ 199	94 - 1996 Freelance developer/Networking teacher, Argentina
